studio rental

We prefer at least two weeks notice, credit card information, and a Certificate of Insurance (COI) to book a reservation. An initial coat of white paint on the cyclorama wall is free with the rental, however, excessive wear and tear will result in additional fees for repainting or repairs. Cancellations must be made at least 48 hours from the time of the rental; anything within 48 hours is subject to a 50% charge.

The COI must show the following information in order to qualify as a deposit.

The Certificate must:

- List our company name and address as loss payee/certificate holder:
Pixel Factory, Inc.
9680 Atlee Commons Dr., Ste. 102
Ashland, VA 23005
- Show that the insured person is covered for rental equipment (this term varies by company) it might be under "other" as an equipment floater/rented equipment, miscellaneous equipment/rented, contractor's equipment, or property owned by others in your possession. It can also be listed under "description of operations/special provisions" as photographer rented equipment coverage up to \$1,000,000.
- Show effective date and, if applicable, expiration dates.
- Show the dollar amount of rented equipment that the person is covered for.
- List policy number(s) associated with the rental equipment coverage.
- Be signed by an authorized representative of that insurance company.
